INITIATIVE OF INTEREST

CDI's Visit to Washington, D.C.

Bob Lynch (CDI President), Alex Schmidt (CDI Vice President), Catherine DeLong (CDI Water Quality Specialist), Tim Palmer (NACD 1st VP and Madison SWCD Commissioner) and Kurt Simon (NRCS State Conservationist) visited Washington, D.C. for the National Association of Conservation District's Legislative Event in March.

They met with legislators and staff of Congressman David Loebsack, David Young, Rod Blum, Steve King, and Senator Joni Ernst and Chuck Grassley.

They stressed how vital funding for staff, Farm Bill conservation programs, and EPA 319 grants are to helping Iowans address resource concerns and reach nutrient reduction goals.

They also invited our legislators to the NACD Summer Tour, July 17 & 18!
